Andrin House

Andrin House is a newly purpose-built Care Home including Nursing Care in an exclusive setting within the City boundary.

It is fully equipped and furnished to the highest standards to meet the special needs of the infirm elderly, whilst facilitating freedom and independence for the more able, on either a permanent or temporary basis.

The Home is set within landscaped private gardens and offers accommodation to high standards. The Home is located in a quiet setting off Duffield Road within easy access of Derby City Centre,

We offer single and twin rooms for medical, acute medical, geriatric and convalescent residents, either on short or long stay basis. All rooms are decorated to the highest standards

with coordinated designer fabrics, carpets, and are fitted with Nurse call as well as computer controlled central heating system, double glazing, TV and telephone points. Residents are welcome to bring their own favourite items of furniture and effects and will be encouraged to consider Andrin House as their own home.

Darley Park, local bus routes and all City Centre amenities. The approach from Derby City Centre is via Duffield Road and then onto Belper Road with Andrin House situated on the right at the bottom end of Belper Road.

Andrin House

Private Nursing & Residential Care Home

Residents are encouraged to have their own General Physician. A modern hairdressing salon is available with an experienced hairdresser visiting twice a week. Visits from Dentists, Chiropodists, Physiotherapists and other specialists are available when required. Trained Nursing and Care staff offer high standards of care 24 hours a day.

All laundry is done on the premises enabling the Home to offer a complete service covering every aspect of care for the elderly and infirm

We feel that maintaining close family ties is very important and relatives are encouraged to visit at any reasonable time. Those who have to travel long distances may take lunch with the Residents, but 24 hours notice is preferred. Our

aim is to provide a homely caring atmosphere, where professional nursing and care is carried out with the minimum of trauma, enabling Residents to live to the optimum of their capabilities and not to be hindered by their disabilities.

The Matron of the Home has had many years experience and is backed up by a professional team of nurses and nursing assistants who all undergo a continual training programme.

Every resident is allocated a key nurse to supervise their care with an individual nursing care plan.

Please feel free to visit us at any time, or we can visit you at home should you so wish. We are looking forward to welcoming you into your new Home.

Andrin House strongly encourages a HOME TO HOME lifestyle.
